

**GREEKS
GO GREEN
CHALLENGE**

Join the Greeks Go Green Challenge and receive \$500 in rebates!

Do you want your fraternity or sorority to be more sustainable and reduce your operational costs? The California Green Business Network can help your Greek Chapter House accomplish both of these goals by becoming a Certified Green Business.

The first step in getting certified is to attend a brief information session with a Sustainability Consultant. We will guide you through the certification process and help you every step of the way. We make it easy!

Sign up for a free info session by **September 15th
to take advantage of this offer!**
